In our weakness we may come to Him and ask Him to impart to us an understanding of what He will do in separating us from everything that is unlike His own holy character.

Sign-up by Sabbath, June 8, and Money in by Tuesday, June 11.

Cost for 62 and up \$11 & Adults \$15.00

### Carpooling

More than 53 different butterfly and moth species and an array of plants take up residence every summer for our much-anticipated seasonal exhibit, the Butterfly Pavilion.

### DINASOUR EXHIBIT:

One of the centerpieces of the exhibit is the T. Rex growth series — the only trio of different aged T. Rex specimens in the world.

Rock your world. The diversity and beauty of minerals on our planet is astounding and so is our **Hall of Gems and Minerals**.

- Our **North American Mammal Halls** contain realistic depictions of a range of this continent's most fascinating environments. Visit arctic ice floes, offshore islands, grasslands, prairies, desert, mountains, tropical rainforests, redwood forests, and the arctic tundra — all in one trip!

Not your typical safari. The **African Mammal Hall**, first opened in 1930, realistically represents creatures and habitats from an Africa that is fast disappearing. **Bug re-education**.

Explore the **Insect Zoo** and get to know the truth about even some of the most familiar bugs you think you already know.

**AND MUCH MUCH MORE!**
