PSR Fire Update

July 23, 2013

Dear Friends:

Thank you for your continued prayers for the ministry of Pine Springs Ranch, the summer camp staff and those who work at the camp and call it home. Pastor Carmen, the Wuttke family and David Machado were able to move back on site over the weekend, but not without challenges of limited electricity, water that has to be boiled and fires flaring up from time to time. Carmen is in her home, but the others are in temporary housing. They are working hard to get the minimal comforts of daily living up and running. Pine Springs Ranch is their home and getting them settled is our first priority.

You may have noticed Pine Springs Ranch has received national as well as local news coverage and the picture of the ashes of the Wuttke home with the fireplace still standing has become the most used photo for this fire event. The fire is expected to be contained by Friday and we are grateful no more damage to structures has taken place.

SUMMER CAMP:

The summer camp leadership team was able to join the resident staff and retrieve the campers' luggage from the cabins on Friday. Saturday night and Sunday parents came to the conference office and picked up their children's belongings. I met several parents Saturday night at the office who expressed much gratitude to the camp staff for the safety and care of their children. One little girl announced to me that when she was old enough, she was going to be a counselor at Pine Springs Ranch.

The spiritual impact the staff had on these children in the short time they were at PSR before the fire is evident. It deeply saddens us that due to the fire damage at the camp we will not be able to continue to operate for this summer camp season. The conference will take care of our commitment to the summer camp staff, who depend on this summer job and the matching funds they are to receive from their universities. We will also intentionally keep reaching out to the campers who lost out on the camp experience. We know there are many disappointed children.

GROUPS:

Many have asked when the camp will be fully operational again. We do not yet know. The insurance adjuster visited the camp for the

first time with Tim Rawson today and we will work closely with them to figure out our options for becoming operational again. The loss of the sewer plant is devastating for public use of the facility, but we are exploring all alternatives. If you have a church group that has booked the camp in the next few months, the camp staff will be contacting you and will keep you updated on what we realistically can expect for the time you are booked. We do expect to be out of full operation until the end of 2013.

WHAT YOU CAN DO TO HELP:

Many of you have called and e-mailed asking what you can do. The camp is well insured and the Wuttke family and the camp in general will be covered for the long haul. Here are some ideas of how we might all help shower those who serve us with love and care in the next few days and weeks:

1. Notes and cards of encouragement to the camp staff letting them know how you are praying for them. They can be sent in care of the Youth Department at the conference office, PO Box 79990, Riverside, CA 92513.
2. Gift cards to grocery stores and restaurants for all staff.
3. Gift cards for Corey and Colton, the two Wuttke teenage boys, so they can shop a bit for themselves. We suggest Best Buy and REI as great options for them.
4. For the Wuttke family, gift cards to Bed, Bath and Beyond; JC Penney's; Sears and Target, so they can begin to buy basics such as towels and bedding, would be helpful.
5. You can send checks to the conference office. Verlon has set up an account for donations at the office for anyone who would like to donate money directly to the Wuttke family or to the camp in general. Just be certain to identify the checks as for the "Wuttke Fund" or "PSR Fire Recovery Fund" in the memo section at the bottom of your check.

There will come a time after the insurance assessment has been completed that we will need the physical help of many hands at the camp and we will notify churches and schools as soon as this labor is needed.

Thanks again for your commitment to and interest in your camp. Pine Springs Ranch belongs to you and we know God has a plan for the ministry there to thrive again!
