## SUNDAY, NOV. 3 CABOT'S PUEBLO MUSEUM & DESERT HOT SPRINGS SPA

We will leave the church at **9 am** and stop for a tour at the Cabot's Pueblo Museum. Then we will go to lunch at Desert Hot Springs Spa. They have the most wonderful vegetarian food at a very reasonable price. Last time it was a highlight of the trip. After eating, then we spend the afternoon in the spas.

**Cost for trip is \$15.00 and you pay for your own food. All reservations and money must be in by October 29. Sign up in foyer or call church office.**

Nestled in the scenic hills of Desert Hot Springs, a Hopi-inspired pueblo sits against a hillside. Not just any pueblo, but one built with re-purposed materials he collected throughout the desert. Cabot's pueblo spreads an impressive 5,000 square feet, divided into 35 rooms and adorned with 150 windows and 65 doors. What a sight it is to see! Through the tour, you will have the chance to get to know the man behind the pueblo: a bright and ambitious man, who followed his heart, traveled the world and accomplished countless things.

In a modern world where everything we need is at our fingertips with a touch of a button, a flick of a switch or the sound of a voice, it's hard to imagine having to walk 14 miles for water. Let us take you on a journey back to simpler times and introduce you to an exceptionally fascinating man, Cabot Yerxa.

## DESERT HOT SPRINGS SPA

The hotel is wrapped around a large central courtyard with towering palm trees and eight shimmering natural hot mineral spring

pools. One Olympic size pool and seven soaking and Champagne pools range in temperatures from 90°F to 104°F. The water here has a pleasant scent and tastes great!

# MGA Oct.. Happenings

Bonding with others: infant to mother, other humans to one another, and humans to Jesus is absolutely vital to wellbeing. Since it is so important, we specifically plan activities that help students bond with their classmates and teachers.

Beach days are one of the activities we have experienced in the past month or so that accomplished this goal. Junior high led the way to the beach on August 29. Grades K-6 followed on September 6, and the high school celebrated September 13 as their beach day. Games, food, and worship all enhanced those bonds of friendship and camaraderie.

Incredible overnight field trips in the past month included the 5<sup>th</sup> grade trip to Catalina Island, the 7<sup>th</sup> and 8<sup>th</sup> grade history trip, and senior class trip. Catalina provided the most fabulous science experiences for this class: snorkeling, identifying sea plants and animals, writing with the ink from an octopus. Junior high had the most marvelous time visiting the gold country. They practiced panning for gold, went white river kayaking, and visited the state capitol among other activities. The seniors, under class sponsors Janine Darkens and Dave Lundgrin, went to Lake Havasu for boating, skiing,

wakeboarding and camping during September 20-25. Having the trip early in the year created a strong connection for their senior year.

Spiritual bonding is one of the main reasons for Mesa Grande to exist. Weeks of Prayer take place at every grade level. This year's junior/senior high fall week of prayer included family groups that discussed spiritual issues in conjunction with giving students a sense of being part of a religious family.

The upcoming fall fair is an opportunity for **you** to bond with Mesa Grande Academy. Please come on Sunday, Oct. 27, from 10-3 and unite with us in festivities and food.
