PRAYER WORKS

Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

Matt. 7:7,8

Ask, then; ask, and ye shall receive; ask for humility, wisdom, courage, increase of faith. To every sincere prayer an answer will come. It may not come just as you desire, or at the time you look for it; but it will come in the way and at the time that will best meet your need. The prayers you offer in loneliness, in weariness, in trial, God answers, not always according to your expectations, but always for your good.

MGA Feb. Happenings

A natural extension of being spiritually filled is to share the blessings and knowledge with others. High school student-led Week of Prayer in February was a fabulous way of ministering after some had attended Junior/Senior Bible Conference last month. Students led the music, prayers, and homilies. Shaped by the theme “So in Love,” much thought and prayer was devoted to presenting Jesus’ sacrifice in vivid and inspiring images. Speakers that week included Riccaela Thomson, Austin Thomson, Matt Shankel, Paige Matsuda, Anna Clark, Kathryn Chan and Spencer Sherwin.

February is a month for learning with magnificent field trips in the high school: Life Skills events for freshmen, Biology Trip for sophomores, and Spanish II Trip for seniors.

Emmanuel, Aubree and sea stars

Sea critters galore in God’s nature

A highlight of the entire academy experience occurs when the sophomores travel to Morro Bay to see the gorgeous creatures God has created. Their lab becomes the sky, the sea, the tide pools, the estuaries, tents, and campfires, with Jesus in the midst of it all. Thanks Mr. Riddle, Mr. Steffen, and Frank and Louise Holder (along with other parents) for making this sojourn every year. Students on this trip made the following comments:

- At the last tide pooling experience, there were entire walls of rock covered in holes. In each hole was a sea urchin!
- I dissected a dead chitin. Then Mr. Steffen came and showed us all the different parts (at least the ones he knew). It was really exciting!

- Biology trip was really wet and cold, but I didn’t mind because everything else made up for it. I really liked touching all the sea anemones.
- I loved being out in nature’s tide pools where it is the animals’ natural place.
- We watched elephant seals. They were so big, and the pups were so cute.

Riccaela and an urchin Hannah, Michaela and Sasha Jordan’s star

Calexico Mission School has been the destination for the last several years’ trips for the Spanish II class under the tutelage of Mrs. Simmons. Students not only become better acquainted with the Spanish language, but they are also able to share the love of God through the mission projects they perform for that school.

Conference-wide musical events provide bright sights and sounds for junior high students in February. The SECC hosted a Junior High Hand Bell Festival at Redlands Academy on January 30. Nancy Jessup from Concordia University in Irvine directed six hand bell choirs into making marvelous music rather than chaotic cacophony. The Junior High Choral Festival took place at Campus Hill church in Loma Linda on Feb. 7. The acoustics in that sanctuary made for a glorious concert. Nearly 200 students were conducted by Josh Rivera, a former teacher from Monterey Bay Academy.

An academy hymn festival was held at Orangewood Academy on February 28 for the six academies in our conference. The church has a powerful legacy of beautiful and inspiring hymns. This festival, the brainchild of James Woods, the music director at Orangewood, is used as a vehicle to help students learn and appreciate their musical heritage. This year’s special musical guests were our own handbell choir from Mesa Grande.
