Three Angels Calling

“In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import – **the proclamation of the first, second, and third angels’ messages. There is no other work of so great importance. They are to allow nothing else to absorb their attention.**

“The most solemn truths ever entrusted to mortals have been given us to proclaim to the world. **The proclamation of these truths is to be our work.**

“It is not only by preaching the truth, not only by distributing literature, that we are to witness for God. Let us remember that a Christlike life is the most powerful argument that can be advanced in favor of Christianity, and that a cheap Christian character works more harm in the world than the character of a worldling. Not all the books written can serve the purpose of a holy life. Men will believe, not what the minister preaches, but what the church lives. Too often the influence of the sermon preached from the pulpit is counteracted by the sermon preached in the lives of those who claim to be advocates of truth.

It is the purpose of God to glorify Himself in His people before the world. He expects those who bear the name of Christ to represent Him in thought, word, and deed.” Testimonies for the Church Vol. 9 pp. 19 & 21 selections.

Meetings will be every Monday night (except 2nd Monday, which is Meatless Monday,) starting January 19 from 7 – 8 pm in the Fellowship Hall at the church. Join us for these special meetings hosted by Gary Strunk.
