**20. NEXT WEEK’S OFFERING:** Fall Mission Appeal is a General Conference offering that supports and extends missions work around the world. The idea of sacrificial missions support originated with the literature evangelists setting aside a week during which they would make an effort for larger sales, the profit of the best day’s sales to be a gift to missions. Let’s keep up this spirit of sacrifice. Fall Missions receives 1.00% of the World Budget offerings. Missions and missionaries always cost to the point of sacrifice – both for the ones being supported and for the supporters. Are you willing to be made willing?

**21. COMMUNITY SERVICE** has truly been blessed. A BIG thank you to Tricia Chapman, Cherie Gallup and Gloria Pohren who worked the better part of two weeks putting our sale together and worked the whole day of the sale, also Karen Clements who contributed several hours. On the day of the sale, Tim Chapman cashiered and those who worked many hours that day were Chuck Allgaier, Tricia Page, Dona Klein, Vera Miller, and Ron Sullivan. Marjorie Brito made all of our signs and with a neighbor showed up before 6:00 a.m. to put the signs out. Of course it would not have been successful without you, the members, giving us some very lovely items to sell. Thank you all for your time and your generosity. Our sales totaled in excess of \$1,000 plus a very generous donation of \$1,000 to purchase a commercial refrigerator. God has really blessed! May we in turn bless many others is my prayer. Sandy Bradford.

#### PRAYER WORKS

"I love the Lord, because he hath heard my voice and my supplications. Because he hath inclined his ear unto me, therefore I will call upon him as long as I live." *Psalm 116:1, 2.*

"God's goodness in hearing and answering prayers places us under heavy obligation to express our thanksgiving for the favors bestowed upon us. We should praise God more than we do. The blessings received in answer to prayer should be promptly acknowledged. The record of them should be place in our diary, that.....we may remember the goodness of the Lord and bless His holy name."

*Review & Herald, May 7, 1890*

## MGA Aug. Happenings

God has plans for Mesa Grande Academy this year: **big, BIG plans!** They are so immense that we don't even know yet what some of them are, but we know they embrace religious seekers who are sharing God's character and power to save with impressionable young minds. We know they include helping each student reach his best potential as an inquiring scholar. We know they encompass training students to be fabulous communicators who are inspired to share information with a needy world. And lastly, we know it focuses on helping students be aware of God's purpose for them to help other children of God in our community and world. *"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."* Jeremiah 29:11.

Summer is a special time for schools, both teachers and students—it is a time to reflect on the year past, rejuvenate minds and bodies, and prepare for the year to come. Preparation has been very deliberate at MGA this summer. The following projects have been undertaken:

- 1) Complete renovation of most of the bathrooms and locker rooms on campus. There are gleaming new countertops and sinks, new seamless floors with epoxy coating, and roofs now free from dry rot.
- 2) Freshly painted fences and lockers. Our friend Joliet Paris did a fantastic job on these!
- 3) A new lease with Toshiba has enabled us to have new copiers on campus. These fabulous machines will do almost anything that humans can program them to do. One of the most exciting for teachers is that the copiers will make, fold and staple booklets for eager readers.

Two new potential students have been born this June. Qaiden Serns (Coach Justin Serns & his wife Melissa) and Kira Delinger (Adam Delinger & Lynn Holder Delinger—our computer guru on campus.) Congratulations to these wonderful parents and their beautiful babies.

The Pacific Union Conference gave us a grant this summer to purchase an electronic lift that extends to 26 feet. Mr. Riddle assures me that the area churches can arrange to borrow and use this item. The purchase price is about \$20,000.

Cross Country, under the direction of Robert and Juli Simmons, is already practicing for fall meets this year. Look at them lined up and ready to go in last year's picture.

Back-to-School nights happened on three separate evenings this past week for primary grades, middle grades, and high school. Parents have the opportunity to chat with teachers, see the classrooms, learn about school programs, and meet other parents. At the moment we have approximately 245 students: grades K-8 enrollment is at 151, and grades 9-12 total around 90 students. We ask that you keep us in your prayers as God leads us in the **big, BIG plans** that He has for us this year.
