UPCOMING EVENTS

11. SENIORS’ FELLOWSHIP TRAIN TRIP TO BEACH – SEPT. 27

This year we will go to San Clemente Pier. This is a smaller beach with swimming on one side and surfing on the other. Best part,

the Amtrak stops right at the pier. There are 2 restaurants on the pier and a few across the street. However, there are nice places to have a picnic lunch on the beach if you would like to bring your own food.

This beach is part of the San Clemente Costal Trail. “Great walk” - Lovely just to walk along here and listen to the surf and see the gorgeous views. Enjoyed watching people fishing and our grandson loved chasing the birds. Such a beautiful pier with its reliable views. Loads of seating opportunities for people who might need a rest along the way!

We will leave the church at 8:00 am to board the train at the San Bernardino Station at 8:50 am. . If you want to just meet us at the San Bernardino Train Station, please be there by 8:30 am to get your ticket from Linda Hill. We will arrive in San Clemente at 11:00 am and you can return at either 3:09 pm or 4:49 pm **Cost is \$10** for the train ticket. All sign-ups and money **must be in the office by Sept. 24.**

12. **THE ELDER CARE MUSIC MINISTRY** program for October 3rd is cancelled due to scheduling conflicts. We will resume on Sabbath, November 5th.

22. ADVENTISM has always had an apocalyptic side (Great Controversy) and a healing side (Ministry of Healing). The apocalyptic side looks on the other with some suspicion, fearing the deceptions of the End. The healing side looks on the other as object and partner in Jesus' mission of healing. Reconciling the two has often been a challenge. Loma Linda is the ideal place for such a conversation. Join Dr. Jon Paulien as he delves into this fascinating topic Sabbath afternoon, **September 26**, at 3pm in the Damazo Amphitheater, Centennial Complex.

23. EINSTEIN & FAITH," a lecture by cosmologist Robert Piccioni, PhD, will be presented at 3:00, **Oct.3**, Damazo Amphitheater, Centennial Complex, LLU. Einstein's profound theories will be simply explained, and his evolving belief in God examined. Sponsored by the School of Religion's Humanities Program.
