PRAYER WORKS

"Satan fears prayer more than almost anything else we could ever do. Prevailing prayer is potentially the greatest continuing threat to Satan that there has been since Calvary. Nothing will please him more than to get you to stop or neglect a strategic prayer request. Hold on. If Satan is fighting, your persevering in prayer is worth all that it costs". (Mighty Prevailing Prayer, P. 157).

25. INTERNET PRAYER TEAM: Our church Internet prayer team is willing to pray for both short and long term requests. **The joy & blessings of the Sabbath conclude at 8:03 pm
& begin again next Friday 7/15, at 8:00 pm.**

Rome was the capitol of the empire. Whatever happened in the church and to the church at Rome affected churches throughout the empire. For example the church at Rome was made up largely of Gentile converts who had formerly been sun worshipers. So it was easier for them to adopt Sunday as a day of celebration in place of Saturday which was a day of ill omen according to Astrology which was also strong in Rome. And it helped them avoid being viewed as Jews who were hated by many.

Therefore the letter to the Romans, the Roman believers, became a major treatise with the potential of affecting all Christian churches. And so it has. But it has been misinterpreted by those who want to misinterpret it. Our task is to interpret it more accurately. And so we do every Sabbath evening one hour before sunset. Be sure you're in the pews to close the Sabbath in worship with music, with Bible study, and with sharing with serious students of Scripture

This is a great way to close the Sabbath, to spring into a new week, and to learn the words of God. AND this is a great place to invite friends to learn what the Bible teaches about nearly every major question in life. That's how thorough the Book of Romans is.

Elder Strunk will be leading most of the studies. Study begins at 7:03 p.m. and ends at 8:03 p.m. Come early to get a good seat.
